Dear Ms Lhuede

Tonalli Pty Ltd lands - Yerranderie

Thank you for your letter dated 28 November 2009 regarding a formal offer by Tonalli Pty Ltd to sell its property, Yerranderie, to the NSW Department of Environment, Climate Change & Water (DECCW). I apologise for the delay in responding.

I understand negotiations around the acquisition of your property have been ongoing for some time. DECCW are continuing to investigate the options available for acquiring the land and I am hopeful that the matter may soon be resolved.

This letter is to confirm with you that should in future, the land be transferred to the Minister for the Environment for management under the NPW Act, DECCW would maintain its commitment to the implementation of your vision for the site as detailed in previous correspondence between yourself and Bob Conroy of the Parks and Wildlife Group.

If you have any questions regarding this matter please do not hesitate in contacting me on the above number.

Yours sincerely
